## ***Restoration & Rebuilding Services***

### **Full Mechanical Restorations**

Professional restoration of the motor, trans, drive train, brakes, suspension, steering, fuel system, cooling system and major electrical components. All parts are rebuilt and refinished to as-new condition. Call for current price/scheduling/info.

### **Frame-Rust Repair**

Floors rusted out? Rotten rocker panels? We can fix them. We have been doing professional rust repairs for over 25 years. We custom fabricate the sheet metal parts in 18 gauge and 16 gauge. We use stainless steel for the battery tray (95/96 models) and splash panels. We also offer sheet metal plan books for all of the V4 Saabs (Many frame parts will fit the 2-stroke models as well). Call for prices.

### **Professional Rebuilding** (see page 6)

- Engines (1500 & 1700 standard or hi-output)
- Transmissions
- Distributors
- Speedometers
- Back up light switch (95/96)
- Wiper motors
- Clutch cylinders, clutch forks

Note: Rebuilds are done on exchange basis only
